This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of OneStar Communications, L.L.C. (OneStar or the Company) for an extension of time in which to prefile its testimony regarding its application for a Certificate of Public Convenience and Necessity to provide facilities-based and resold local exchange telecommunications services and facilities-based and resold interexchange telecommunications services within the State of South Carolina and for flexible and alternative regulation. OneStar was originally ordered to file its testimony with the Commission on or before September 19, 2001; however, the Company failed to submit its testimony to the Commission by this date. OneStar, through correspondence to the Commission dated September 21, 2001, requested that the Commission allow the Company to prefile its testimony by September 21, 2001. We find that no undue hardship or difficulty will be experienced by any party of record if the Company is granted an extension to file its prefiled testimony. We grant the extension. Accordingly,

This Order shall remain in full force and effect until further Order of the Commission.
